

About Mad Butcher Meat Co.

Mad Butcher Meat started out in 1972 on Folsom Blvd., Sacramento, in a 3000 sq. ft. facility, offering custom butcher services, meat, poultry, seafood, and above all customer care. Mike and Diana Shum took over ownership in 1989, carrying on a tradition of great customer service, and quality product.

In 2005, Mad Butcher expanded from its Folsom Blvd. location to a new 24,000 sq. ft. shop on Florin Perkins. Very shortly, we'll be adding a custom smoker and a mobile lunch truck to serve you better.

A family-owned and customer-oriented business, Mad Butcher Meat is proud to be one of the cleanest, friendliest, and best stocked custom butcher shops in Sacramento. We focus on your needs, whether you're a walk-in customer, wholesale account, or a group or organization - just let us know what you need, and we'll make it happen.

Thank you for coming to our website. Stop in and say hello as soon as you can. You'll be glad you did.
